- (b) to withdraw or restrict access to the Data Room to all or any Bidders;

- (c) to enter into and conclude negotiations with any Bidder without notice to any other Bidder; and
- (d) to withdraw the Property from the tender process.

5. Requests for Further Information ("RFI's")

5.1 Bidders to Comply with Protocol

Bidders must not (except for searches of public authorities) seek to obtain information in relation to the Property other than in accordance with the rules in this Protocol. In particular, no Bidder may directly approach any employee or officer of the Seller, the Receivers, Gadens Lawyers or McVay Real Estate to seek any information about the Property or the sale process.

5.2 Lodgement of RFI's

All Requests for Information must be made by completing the "Request for Further Information" form in Annexure C (a copy of the form is also available for downloading in the Data Room) and by forwarding that form by email in Microsoft Word format to the Data Room Manager at JMitchell@qld.gadens.com.au.

5.3 Responses to RFI's

The Seller may, at its sole discretion, make RFIs and answers available to all Bidders or to the requesting Bidder only.

In the normal course, the Seller will, to the extent it is able, respond to RFI's by posting the RFI and response to the Data Room. Responses will not be provided directly to the Nominated Representative.

The Seller gives no assurances as to the time within which responses will be provided and all responses are provided subject to the terms of this Protocol.

The Seller reserves the right:

- (a) not to respond to any RFI or, if it does respond to a RFI, to determine the manner and extent of the response; and
- (b) to respond to queries which are not made in accordance with this Protocol; and
- (c) to decide when the RFI process finishes.

6. Conditions of Access and Use of Information

6.1 Access and Confidentiality

All information provided through the Data Room (including information provided in response to RFIs) is confidential and is provided subject to:

- (a) the Confidentiality Deed Poll; and

- (b) this Protocol.

6.2 Viewing and Copying Information

Documents must only be used and/or provided in accordance with this Protocol and the Confidentiality Deed Poll. All other use, copying or reproduction of the Data Room is prohibited.

6.3 Basis on Which Information is Provided

The proposed sale of the Property is being conducted by the Receivers on behalf of the Seller. The Receivers have limited knowledge of the Property and may not have complete access to all the records of the Seller.

The information in the Data Room has been posted to allow each Bidder to conduct its own enquiries in order to independently assess the Property and the proposed transaction.

Each Bidder acknowledges that:

- (a) it will conduct its own investigation and analysis regarding any information, statements or representations contained in the material included in the Data Room or provided in relation to the RFI Process or in any report or any other written or professional advice in deciding whether to investigate the Property further; and
- (b) it does not rely on any representation or warranty (express or implied) by the Seller, the Receivers, Gadens Lawyers, McVay Real Estate or any of their officers and advisers as to the accuracy, completeness, currency or reliability of the information included in the Data Room or provided in relation to the RFI Process or any other written or oral information made available.

The Seller, the Receivers, Gadens Lawyers, McVay Real Estate and their respective officers and advisers do not make any representation or warranty as to the availability of, the truth, accuracy, completeness, currency or reliability of the information contained in the Data Room or in answers to RFIs or any other written or oral information made available to any Bidder or its advisers during the due diligence process and do not accept:

- (a) any responsibility arising in any way for any errors in or omissions from any information; or
- (b) any liability for any loss or damage suffered or incurred by the recipient or any other person as a result of or arising out of that person placing any reliance on the information or its accuracy, completeness, currency or reliability (to the extent permitted by law).

6.4 Forecasts

Any forecasts included in the Data Room or made available to any Bidder are not representations as to future matters. Those forecasts are based on a large number of assumptions and are subject to significant uncertainties and contingencies, some, if not all, of which are outside the control of the Seller.

No representation is made that any forecast will be achieved. Actual future events may vary significantly from the forecasts. Each Bidder should make and must rely on its own enquiries and investigations regarding the assumptions, uncertainties and contingencies which may

affect the Seller's or the sale Property's future operations and values and the impact that a variation of future outcomes may have on the Property.

7. Seller's Capacity and Liability

The Bidder acknowledges that:

- (a) Marina Mirage Pty Ltd ACN 110 366 722 (Receivers and Managers Appointed)(Subject to Deed of Company Arrangement) (the "Trustee") acts only in its capacity as trustee of the Marina Mirage Unit Trust ABN 24 947 243 531 ("Trust"). The Trustee can only act in accordance with the terms of the agreement under which it is appointed as the Trustee and is not liable under any circumstances to any party under this Protocol. This limitation of the Trustee's liability applies despite any other provision of this Protocol and extends to all liabilities and obligations of the Trustee in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this Protocol.
- (b) The Trustee is not obliged to do or refrain from doing anything under this Protocol (including, without limitation, incur any liability) unless the Trustee's liability is limited in the same manner as set out in clause 7(a).
- (c) No attorney appointed in accordance with this Protocol has authority to act on behalf of the Trustee in a way which exposes the Trustee to any liability.
- (d) A liability arising under or in connection with this Protocol can be enforced against the Trustee only to the extent to which it can be satisfied out of property of the Trust out of which the Trustee is actually indemnified for the liability. This limitation of the Trustee's liability applies despite any other provision of this Protocol and extends to all liabilities and obligations of the Trustee in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this Protocol.
- (e) The provisions of this clause shall not apply to any obligation or liability of the Trustee to the extent that it is not satisfied because under the constitution establishing the Trust or by operation of law there is a reduction in the extent of the Trustee's indemnification out of the assets of the Trust, as a result of the Trustee's fraud, negligence or breach of trust.
- (f) This clause applies despite any other provision of this Deed or any principle of equity or law to the contrary
